MPAY Expands Payentry Solution with Employee Self-Service

A convenient way to empower your employees

Waltham, Ma; February 13, 2017 – Ever feel weighted down by the administrative needs of your employees asking for things like duplicate check stubs, extra print outs of tax forms, or direct deposit changes? Well, worry no more! Payentry's *Employee Self-Service* functionality will give your employees what they need, when they need it. Employee self-service is a mobile responsive platform designed with the employee experience in mind while focusing on the ease of use for both employees and the HR department.

Payentry's *Employee Self-Service* feature is designed to give the employee full ownership of all HR requests. It also caters to the individual's identity of the employees as John R. Lytton, Client Services Manager of Payroll Management stated, "New ESS conveniently allowed us to offer the employee one access credential to all employment records in one central location."

MPAY designed this solution with the employee in mind. Focusing on ease of use and employee experience, *Employee Self-Service* makes it simple to manage all essential functions in one hassle-free mobile responsive platform. Employees will have access to their full payment history, employment status benefits and retirement information, as well as ACA and tax information, all with just a few quick clicks. All materials, regardless of originator, are securely viewable in one convenient location.

From hire to retire; we have you covered!

About MPAY, Inc.

MPAY, Inc. offers payroll and human capital management (HCM) services for small and medium-sized employers. Through the Payentry brand, MPAY provides employer solutions that increase cash flow and efficiency, reduce risk, and give a competitive edge in managing and retaining high-quality employees. Available services include integrated payroll, tax and time management services, retirement plans, HSA and FSA benefit plan administration, COBRA and state continuation administration, as well as a complete offering of property and casualty insurance, including Pay-As-You-Go workers' compensation.
