Payentry and Corporate Payroll Services Unite to Deliver Success Together

Peachtree Corners, Georgia, September 11, 2025 – Payentry, a leading provider of payroll and human capital management solutions, and Corporate Payroll Services (CPS), a leading provider of payroll, tax and workforce management solutions, today announced their merger under the Payentry brand, marking an important step forward in their shared mission of **Delivering Success Together** by providing innovative solutions, personalized service, and long-term value to clients nationwide.

With this merger, CPS clients will gain access to Payentry's comprehensive suite of human capital management tools and HR compliance resources while continuing to experience the same dedicated relationships they have relied on for years. Payentry clients will benefit from expanded service capacity and access to new products, strengthening the overall value and support they receive.

"This is an exciting milestone for both organizations," stated Geoffrey R. Duke, Chief Executive Officer of Payentry. "CPS has built a strong reputation for service and client care, values that mirror our own. By coming together under the Payentry brand, we are expanding our capabilities and strengthening our commitment to helping businesses thrive. Together, we will continue 'Delivering Success Together' for our partners, licensees, direct clients, and our employees."

Joe Beverly, Chief Executive Officer of CPS echoed this statement: *"For more than 30 years, CPS has been proud to serve businesses with personal service and reliable payroll solutions. Joining forces with Payentry allows us to continue that legacy while offering our clients access to enhanced technology, deeper HR compliance expertise, and broader resources. We are excited to unite with Payentry and carry our mission forward together."*

While CPS and Payentry will initially operate under their respective brands, the companies will unify under the Payentry name in mid to late 2026. This milestone reflects a shared commitment to growth, innovation, partnership and client service.

About Payentry:

Payentry provides payroll and human capital management solutions that help businesses streamline operations, stay compliant, and improve employee experiences. With a focus on delivering innovative tools and personalized service, Payentry empowers businesses to manage their workforce with confidence. Payentry is a DBA of MPAY LLC, a privately held corporation founded in 1994. MPAY LLC is a leading provider of payroll and human capital management solutions committed to delivering innovative technology and support to the Millennium licensees and their business clients throughout the United States. The Company is focused on delivering payroll management systems through its software-as-a-service (SaaS) offering.

About Corporate Payroll Services (CPS):

CPS has been a trusted provider of payroll, workforce management, workers' comp and retirement plan solutions to small and medium-sized businesses since 1991. CPS has built its reputation on a commitment to client satisfaction and the belief that payroll services should be simple, accurate, and client focused. CPS services clients in all 50 United States, Puerto Rico and the U.S. Virgin Islands.
