

PAYROLL PACKAGES

SIMPLE, PREDICTABLE & TRANSPARENT

Our mission is to provide business owners with a user-friendly human capital management solution designed to streamline manual processes and create efficiencies saving time, money, and reducing errors.

Whether you're a large enterprise or a small organization, our innovative solutions are customized to the unique needs of each client we serve, supported by a **dedicated** Client Advocate.

PAYROLL ONLY

The Payroll Only package is simple, easy and just what you need for compliant payroll processing.

Enjoy enterprise functionality backed by our dedicated one-on-one implementation and customer service with simple, predictable, and transparent pricing.

PAYROLL COMPREHENSIVE

To help our businesses remain compliant and optimize administrative efficiencies in our HCM solution.

The Payroll Comprehensive package is full of scalable and customizable functionality options to help you manage the entire employee life cycle.

PAYROLL COMPREHENSIVE+

For businesses with more complex or advanced payroll, HR management, compliance and benefit enrollment and needs.

Enjoy access to enterprise functionality while working directly with our team of payroll, HR and benefits professionals to design the perfect solution for your business.

As our clients' needs change, so do we.

Our full suite of services is scalable, customizable, and the resources we provide ensure we remain the ideal partner. We're ready to support your business today, tomorrow, and beyond.
