

GROUP BENEFITS

Payroll and Benefits Services in One

Companies often look for comprehensive service providers so they can focus on growing their business instead of managing operational details. While many are familiar with our payroll services, Payentry also offers group benefits and insurance solutions through its Financial Services division, providing clients with the confidence that their business is fully supported.

About Payentry Financial Services

Payentry Financial Services (PFS) is a full-service employee benefits consulting firm specializing in insurance. Our offerings include group health, dental, vision, life, disability, and voluntary workplace benefits. We are committed to providing employees with an exceptional experience through innovative solutions, cost effective benefits, and superior customer service, which distinguishes us in the industry.

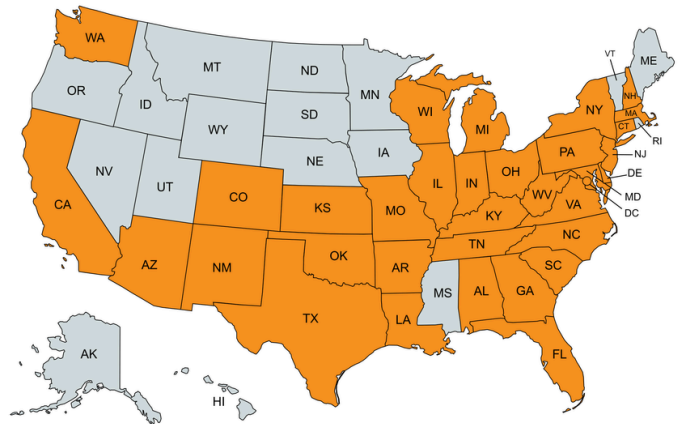

The PFS Difference in Insurance Services

The PFS team collaborates directly with your Client Advocate to establish centralized communications and streamlined workflow processes. Payroll integration eliminates the need to contact multiple vendors, providing clients with an integrated team to manage all account needs. Additionally, real-time access to employee data allows changes to be made immediately, updating multiple areas simultaneously.
